2. Read Dasara Calendar for the current year regarding the election of District Board members to represent the Board during the ensuing Representative Assembly.

*Resolved* that Messrs Bhari Sannappa and Nerlahalli Sannappa be elected to represent the Board during the ensuing Dasara Representative Assembly.

3. Read list of incomplete works of last year requiring appropriation of funds for their completion during the current year.

*Resolved* that the same be approved and submitted to Government for sanction.

4. Read list of works sanctioned by the President of the District Board in anticipation of Board's approval as they are urgent works.

*Resolved* that the same be approved and submitted to Government for information.

5. Read Government Proceedings No. 9952-61—Med. 133-06-4, dated 27th April 1907, forwarding a copy of the statement showing the particulars of Hospitals and Dispensaries which stand in need of reflooring either with slabs or tiles, with their estimated cost, for consideration and submission of the Board's resolution.

*Resolved* that the work of reflooring the Local Fund Dispensaries at Holalkere and Davangere be taken up this year and that the cost thereof, *viz.*, Rs. 605, be proportionately debited to District and Municipal Funds from the current year's budgets.

6. Read General and Revenue Secretary's docket No. 4746– L. F. 252-06, dated 7th December 1906, enquiring why the District Board may not open a road to the Somalapuram Railway Station, and establish a toll-gate for its maintenance, if the goods traffic is as large as has been represented.

*Resolution.*—As it has been since ascertained that the cart traffic on the proposed road is not as large as it was originally represented to be, there is no necessity at present for opening a road to the Somalapuram Railway Station.

7. (*a*) Read General and Revenue Secretary's docket No. 273—L. B. 413-05, dated 10th July last, requesting to place the question of constructing a separate musafirkhana at Holalkere for the use of travellers, or of vacating the portions of the existing musafirkhana thereat, now occupied by the Amildar and the Public Works Department Sub-Division Office, before the District Board and submit a copy of their resolution.

(*b*) Read also, Chief Engineer's letter No. 5219, dated 23rd ultimo, stating with reference to the demand by the Board for the payment of the rent at Rs. 4 for the four rooms of the musafirkhana at Holalkere, occupied by the Public Works Department Sub-Division Office, that the demand is unreasonable, as the building in question was built from Provincial Funds and handed over to the Board for maintenance.

*Resolution.*—As the representations of the Amildar that he could not procure a suitable house at Holalkere for his residence, are true, and as there is no immediate likelihood of the Public Works Department Sub-Division Office being removed to a separate building, the Government be addressed to kindly have a new musafirkhana constructed for the use of travellers in place of the present building.

8. Read General and Revenue Secretary's No. 1127—Mun. 64-07, dated 6th instant, stating with reference to the observations of the Board as regards the moiety of the entire maintenance charges of Harihar water works to be borne from District Funds, that the charge in question is not illegitimate on District Funds, as Harihar is the head-quarters of a Deputy Amildar and as such is frequented by persons from various parts of the taluk.

*Resolution.*—Noted, with a request that as the town is an important place of pilgrimage and is resorted to by a large number of devotees also from outside the Province, at least half the cost debited to District Funds may be borne from the Muzrai Funds.

Deferred for the next meeting.

11. Read application from Lakshmaiya, native pandit, Chitaldrug, praying for the increase of his allowance from Rs. 12 to 25 per mensem in recognition of the hard work turned out by him.

*Resolved* that considering the large increase in the number of patients that attend the Vaidyasala, which indicates his popularity and the efficacy of his medicines, and the insufficiency of the grant already sanctioned, the present grant-in-aid of Rs. 12 be raised to Rs. 20 and that two-thirds of the latter amount be met from District Funds.

12. Read correspondence ending with Davangere Assistant Commissioner's yadi No. 2249 dated 18th June 1907, regarding the supply of vessels to the musafirkhana at Bilchodu, Jagalur Taluk, at a total cost of Rs. 81-4-0.

*Resolution.*—Sanctioned.

13. Read correspondence ending with Davangere Assistant Commissioner's yadi No. 276, dated 1st August 1907, proposing that a cattle pound may be established at Sarathi village, in the Harihar Sub-Taluk tentatively for one year.

*Resolution.*—Sanctioned tentatively for one year as also in Kyathigere village of Hosdurga Taluk as represented at the meeting.

14. Read Challakere Taluk Amildar's No. 75, dated 4th August 1907, stating that the present musafirkhana at Challakere being unfit for further repairs, the same may be disposed of by auction, and a new one constructed near the Post Office according to the standard design.

*Resolution.*—The present building is totally unfit for travellers. As suggested by the Taluk Board, the building as well as the site on which it stands may be sold by public auction and a new musafirkhana of the standard design built out of the sale proceeds, supplemented, if necessary, from District Funds.

15. Read correspondence ending with Davangere Assistant Commissioner's yadi No. 2386, dated 19th June 1907, stating that the musafirkhana at Holalkere may be rented out at Rs. 15 per mensem, to the officers there and a new one built for the use of the travellers at a cost of Rs. 2,000.

*Vide* resolution recorded under para (7) *supra.*

Approved.

*Resolved* that the Board are not prepared to contribute any portion of the cost of this work, as no District Fund road passes over the bund of the tank referred to, nor is any new road required to pass over it.

Read correspondence ending with Chitaldrug Executive Engineer's docket No. 442, dated 4th July 1907, stating the present musafirkhana building at Davangere is in a very dilapidated condition and requires not less than Rs. 200 to Rs. 300 almost every year for its repairs, and suggesting that a new building may be constructed in its place.
